## EDUCATION

- Minnesota State University, Mankato**  
Bachelor of Science in Computer Science | Minor in Mathematics | GPA: 3.71

*Expected graduation: May 2027*

## RELEVANT EXPERIENCE

- Thomson Reuters/Maverick Software Consulting**  
Software Engineer Intern

*Apr 2026 – May 2027*

## PROJECTS

### Student Flow Visualization Tool

- Designed an Azure SQL database for student enrollment, transfer, and graduation flow analysis.
- Built data pipelines to clean and organize multi-source student records into queryable datasets.
- Modeled student pathways through and beyond MNSU using transfer, progression, and outcome data.
- Developed a Sankey visualization framework to help administrators analyze student flow patterns.

*Jan 2026 – May 2026*

### Creative Formulation Concepts (CFC) – AI Support Chatbot

- Developed and maintained documentation for an AI-powered chatbot, improving accessibility to 150+ training resources.
- Authored clear technical guides and version notes to support consistent development, deployment, and client communication.
- Tested and debugged application builds, coordinating with integration and QA to ensure reliable end-to-end performance.
- Supported backend and API functionality, verifying data flow between the chatbot interface and AI retrieval systems.

*Aug 2025 – Dec 2025*

## EMPLOYMENT

### Warehouse Associate

Aldi, Inc.

- Operate heavy machinery and voice-directed picking system to efficiently fulfill store orders and build pallets.
- Assemble, wrap, and transport pallets to designated load zones while maintaining accuracy and safety.
- Lift and maneuver items weighing up to 80 pounds, ensuring product integrity and adherence to warehouse standards.

*Aug 2025 – Mar 2026*

### Community Advisor

Minnesota State University, Mankato

- Supported and mentored residents to foster a safe, inclusive, and positive living environment.
- Enforced community policies while resolving conflicts with fairness and professionalism.
- Planned and led programs promoting personal development, diversity, and wellness.
- Collaborated with campus departments to connect residents with academic and wellness resources.

*Aug 2024 – May 2025*

## VOLUNTEER AND PARTICIPATION

### Volunteer Property Management Assistant

Premier Housing Management (Operated by Salvation Army)

- Supported upkeep and preparation of affordable housing units serving individuals and families in need.
- Assisted with cleaning, organizing, and moving items to help create safe, welcoming living spaces.
- Contributed to the mission of providing stable housing by offering hands-on support wherever needed.

*Sep 2025 – Apr 2026*
